Dear Parent/Carer,

### Nominating your child as 'Talented'

During this term, Carlton J & I will be updating their Gifted and Talented Register which seeks to identify and support children, of any age, who demonstrate exceptional ability or talent. One of the main aims of Carltons More Able and Talented Policy is that it should include and recognise talent and ability, across the widest possible range of performance areas and not just the academic. To meet the agreed criteria, a 'talented' child must have proven exceptional ability and perform at a high level for their chronological age. For example, representing the district or county in a sporting activity would qualify.

Although school may be aware of your child's ability in an activity in which they excel out of school, it is possible that there is something we do not know. The form below provides an opportunity for you to nominate your child to be entered on the school's Talented Register. When the register is complete parents will be notified accordingly. We very much hope this process will both raise awareness about and encourage the development of the talents held by children who attend Carlton.

Yours sincerely

Mrs I Akhtar
