

Art Competition!

We <3 cycling & walking

Walking and Cycling not only helps keep you fit and healthy, it is also great for the environment as it reduces the pollution and greenhouse gases caused by too many cars. So Greenpeace were delighted when Kirklees Council developed a new plan to improve our walkways and cycleways.

https://www.kirklees.gov.uk/beta/food-exercise-and-sport/pdf/walking_and_cycling_framework.pdf

We now need your help, to design a poster to say a big **HURRAH** and thank you to Kirklees Council and show our Councilors what great places to cycle and walk would look like in your local area.

So, here is your opportunity to use your creative skills to design a poster, A4 or A3 size; showing what better cycleways, more walkways and less pollution could look like in your street.

The best posters will be used by Greenpeace to highlight transport improvements, and the **top two entries will each win a £25 book token which can be used at Read bookshop in Holmfirth.**

To enter:

Please email, by 10.02.2021, a photo of your poster and don't forget to tell us your age, to HuddersfieldGreenpeace@hotmail.co.uk. Please get your parents permission! If your submission makes the shortlist, we'll be in touch with further details after the competition closes. The competition is split into 2 age groups 5-8, and 9-11.
